

# WALKS AND PATHWAYS

## **The Kings' Walk** 1km. 10-20 minute stroll.

Pathway suitable for all abilities.

Discover the historical importance of the Moot Hill, the ancient crowning place of the Kings of Scots, then capture the vista from the medieval archway, flanked by the original walls and turrets.

## **The 3rd Earl's Walk** 2.5km. 20-35 minute stroll.

Pathway suitable for all abilities. Explore remnants of Scone's medieval history and wander through the grounds and Victorian Pinetum. Admire the plantings created by the visionary 3rd Earl of Mansfield. Experience the changing seasons from seasonal displays of snowdrops, daffodils, bluebells, laburnum, and summer herbaceous plantings to the vibrant Autumnal colours. Inspect the Kitchen Garden and take on the challenge of our Murray Star Maze.

## **The Friar's Den Walk** 3km. 40-60 minute stroll.

Due to the terrain and fixed gates, the final stage of this walk is not suitable for those in wheelchairs or with prams. Have some restorative time and experience all the Palace Gardens and grounds have to offer. Keep any eye out for red squirrels and the rare hawfinch which makes Scone Palace its home. Enjoy the diverse range of habitats, both plant and animal.

**Memorial Walk** Created to honour and remember those men from Scone Estates who served their country in the Great War, 1914 - 1918. 11 Oak trees represent each of the fallen men, use the QR codes on the plaques to listen to their stories.
